

PRAYER OF PROTECTION

True, Holy Creator God, in the name of the True Lord Jesus Christ, I ask that you move back all evil beings, and any force of darkness of any rank that would seek to interfere or hinder Your work in any way.

I ask that You would forbid any harassment, intimidation or retaliation against the other prayer ministers and I, the person we are interceding for, or any parts of us. I ask that You rebuke the enemy on our behalf, and contend with those who are contending with us.

I ask that You would also prevent these beings, of whatever rank, from sending any level of spiritual evil as retaliation, or backlash against any of us here or our families, ministries, or anything that you have given us. We are trusting You, our Sovereign God, to make it safe to pray here today in the name of the True Lord Jesus Christ, our Savior.

In addition, I exercise delegated authority from the Risen Lord Jesus Christ over all the lower levels of evil spirits and demons, who have been assigned to the other prayer ministers and I, the person we are praying for, or any parts of us, by any of the higher levels. They are bound in Jesus' name, and are not to transfer power to any other spirits or call for reinforcements, and are to remain bound until dismissed.

Lord Jesus, I ask You to confuse their communications and thwart their plans and schemes.

I plead the Blood of Jesus over this time we have together here today, over the person that we are interceding for, over each one of the prayer ministers and I and over our families. We thank you for your protection.

In Jesus' name I pray. Amen.
