

Prayer to Break Word Curses

Word Curses I Have Spoken Over Myself, Others, Places and/or Situations

Say out loud, "Heavenly Father, I repent for speaking the word curse _____ (state what you said) over _____ (state person, place, or thing). I repent for believing the lies of the enemy about this. I ask you to forgive me Father. And I thank you that you do forgive me. I choose from my heart to forgive myself for speaking that and for believing those lies from the enemy. Right now, I put that word curse on the cross, I cover it with the blood of Jesus and I call it dead, in Jesus name."

Now speak out loud the opposite of the word curse and declare God's Word over this person, place, or thing.
